**Connecticut Limousine Services**

Because You Deserve the Best

**Taking World-Class luxury transportation into a whole new level. Matching synchrony with commitment, we lead as one of today's best service transport provider.**

**J & R Connecticut Limousine Services** has developed a solid and efficient system of inter-procedural service handling. Our staff manages the flow of order-receipt, processing, and implementation to channel one service smoothly from start to finish. Just as well, our tested knowledge and familiarity of the area allow us to navigate flexible transport flow even when sudden changes occur.

Your time is as valuable to you as it is to us. So no matter the location of your destination, we guarantee prompt transport through our wide network of itinerary routes. You can choose among our well-maintained and safe fleet of vehicles and conveyances to take you there. Whether for a single person or a group of 20, we can provide you with total ground transport focused on you and your safety.
